

TurningPoint Mobile App for Apple Devices

The TurningPoint mobile app turns a participant's web-enabled mobile device or tablet into a virtual clicker. Participants are able to respond to polling questions using a Wi-Fi or data connection.

NOTE: To use the TurningPoint mobile app in class, students are required to purchase a TurningPoint license from the SupeStore.

Using TurningPoint on your Apple Device

1. Open **TurningPoint** on your IOS device.

Version 3.1.0.31

2.11.3.1

2. Tap **Sign In**. On the next screen, enter your TurningPoint account information, then tap **Sign In** again.
3. If you do not have an account, click the **Create an Account** link and follow the on screen instructions. Tap **Submit**.

4. In the *Enter Session ID* space, type in the **Session ID** provided by your instructor. Tap **Join Session**.

5. The questions will appear onscreen after your instructor opens polling. Tap the button that corresponds to your answer choice.

Responding to Multiple Choice Polling Questions

1. After polling is opened, the question and answer choices are displayed.

2. Tap the number or letter that corresponds with your answer choice.

3. Once polling is closed, the results will be displayed.

Responding to Short Answer, Numeric, or Essay Questions

1. After polling is opened, the question will be displayed.

The screenshot shows the TurningPoint mobile application interface. At the top, there is a dark blue header with a hamburger menu icon on the left and the text "TurningPoint" in the center. Below the header, the question "What is the square root of 64?" is displayed. Underneath the question is a table with two columns: "Rank" and "Responses". The "Rank" column contains numbers 1 through 6. The "Responses" column is currently empty. Below the table, there is a text input field with the placeholder text "Other". At the bottom of the screen, there is a status bar that says "No Response Received" and a numeric input field containing the number "8" with a right-pointing arrow button next to it.

2. Tap the answer field at the bottom of the screen. The on-screen keyboard will display.
3. Type in your response.
4. Tap **Done** on the on-screen keyboard. Then tap the arrow symbol at the bottom-right of the screen.

Responding to Multiple Response Questions

1. After polling is opened, the question and answer choices are displayed.
2. Tap the number(s) or letter(s) that correspond to your answer choice(s).

The image shows a mobile application interface for TurningPoint. At the top, there is a dark blue header with a hamburger menu icon on the left and the text "TurningPoint" in the center. Below the header, the main content area is white and contains a question: "What are Italy's top 3 exports?". Underneath the question, there are five multiple-choice options listed vertically: "A. Vehicles", "B. Machinery", "C. Electronic equipment", "D. Olive oil", and "E. Wine". Below the question and options, there is a section titled "Your Answer" with "A, B, C" listed below it. This section contains five circular buttons labeled "A", "B", "C", "D", and "E". The buttons for "A", "B", and "C" are filled with a blue color, while "D" and "E" are white with a blue outline. Below these buttons is a blue rectangular button labeled "Clear".

3. Once polling is closed, the results will be displayed.
