The TurningPoint PowerPoint Polling clicker system allows instructors to ask questions within PowerPoint on a PC and receive student clicker responses. This tutorial will guide you through using PowerPoint Polling after Turning Point Cloud has been installed on your computer.

Begin by opening TurningPoint application software.

**\*Note:** If this is the first time you've opened the TurningPoint software, you will have to select North/ South America. Click **Connect**.

Enter your myBama email address and click **Sign In**. On the next screen, enter your myBama username and password and click **Submit**.

## **Exporting Results to Blackboard**

- 1. Open the TurningPoint application. TurningPoint
- 2. Navigate to the TurningPoint Manage tab.
